REVIEW

A promising novel biomarker for embryogenesis and carcinogenesis: S100P protein
Gormus U.
AIM AND SCOPE
International Journal of Medical Biochemistry publishes articles relating to clinical chemistry, molecular biology and genetics, therapeutic drug monitoring and toxicology, immunology, hematology and laboratory medicine with the focus on analytical and clinical investigation of laboratory tests used for diagnosis, prognosis, treatment and therapy, and monitoring of diseases.

BASIC PUBLICATION RULES
Authors are responsible for the accuracy of data. The journal is in compliance with the uniform requirements for manuscripts submitted to biomedical journals published by the ICMJ. The editorial and publication processes of the journal are conducted in accordance with the guidelines of the World Association of Medical Editors (WAME), International Committee of Medical Journal Editors (ICMJE), the Council of Science Editors (CSE), the European Association of Science Editors (EASE), and the Committee on Publication Ethics (COPE) as well.

DISCLAIMER
Statements or opinions expressed in the manuscripts published in International Journal of Medical Biochemistry reflect the views of the author(s) and not the opinions of the editors, the editorial board and the publisher; the editors, the editorial board and the publisher disclaim any responsibility or liability for such materials.

ABSTRACTING AND INDEXING
International Journal of Medical Biochemistry is being evaluated by EBSCOhost, DOAJ, and TUBITAK TR Index.

ABBREVIATION
Int J Med Biochem

PUBLICATION FEE
None

ACCESS TO JOURNAL CONTENT
The abstracts and full texts of published articles can be accessed free of charge at www.internationalbiochemistry.com.
